

Streamline Your Health Benefits Administration.

Drastically reduce hours of paperwork with our custom branded portal.

Automated benefit administration

Generally most carriers will accept electronic files from employers with >100 employees enrolled.

Online Access - 24/7

Our online portal allows you convenient access to your account for employer, employees and providers. This single point of access eases the burden on your HR staff and streamlines your administration operation.

Online Portal for Enrollment and Changes

Our benefits portal streamlines paperwork and allows for more efficient productivity. Enter information once and have it immediately disseminated across to all providers. The portal also allows changes to be made in a single place, reducing the burden on your HR staff to report changes across multiple providers' sites. Access is available 24/7 for:

- » Enrollment
- » Plan document & Benefit Summaries
- » Reporting & Managing Qualified Life Events
- » Employee Benefit Management
- » Benefit Confirmation Statement

Immediate Payroll Updates

Changes made in the online portal will immediately alert payroll, efficiently managing the process and reducing mistakes. You can also track new hires and qualifying events for trend reporting.

- » Custom census & payroll reporting
- » Direct carrier & payroll feeds
- » Customized billing reports

Up-to-Date with Governmental Regulations

Our system not only reduces costs and increases your productivity, it also helps you maintain compliance with the most up-to-date government mandates. Our expert staff is highly trained and will work with your HR department to ensure that the proper documentation is generated and maintained for each employee.
